

QUALITY POLICY

YellowBridge QLD is committed to delivering service excellence, and regards quality assurance and improvement as vital in order to realise its vision, mission, objectives and strategic directions.

YellowBridge QLD approach to quality is based on:

- A cyclical framework of:-
 - Plan
 - Implement
 - Monitor and Review
 - Improve;
- Regular self-review within business areas for quality improvement;
- An established alignment between plans, review and improvement;
- Monitoring from an evidence base including evidence from employees, clients, business partners and other key stakeholders; and
- Use of external auditors to benchmark success and areas for improvement.

To achieve this objective, we will:

- Establish and maintain a Quality Management System in accordance with AS/NZS ISO 9001:2016;
- Maintain within the Quality Management System the requirements for the Quality Framework References:
 - Human Services Quality Framework (HSQF)
 - Community Care Common Standards (CCCS)
 - National Regulatory System for Community Housing (NRSCH)
- Set objectives and targets to measure our performance and identify opportunities for improvement;
- Provide adequate resources to continually review and improve our business processes;
- Encourage all people to integrate quality management into the way we work and promote its application as a method for continual improvement within their area of responsibility; and
- Actively seek performance feedback from our customers and address opportunities for improvement that are identified.

YellowBridge QLD quality management system ensures that our policies, procedures and practices remain
